Stop just going around in circles! I provide clear, precise, easy to understand techniques, to improve yourself and your horse.

Beginners are welcome, all breeds, all levels, all backgrounds.

My riding and training experience includes working with some of the top instructors to visit the Northwest such as, Charles De Kunffy, Henric Johenson, Sally O'Connor, Joanna Herigstad, and Pat Cabasa, among others. I have also studied Classical Dressage in Florida with Steve Kanikkeberg and Sandra Hotz during a six month student internship at Bridgemeanow Farm in Florida.
